Academic All-MIAA Teams for 2003-04 released

A total of 188 student-athletes earn honors for success in academics and athletics

(OVERLAND PARK, Kan.) -- The Mid-America Intercollegiate Athletics Association is proud to salute success on the field of play as well as the classroom with the release of the 2003-04 Academic All-MIAA Team.

A total of 188 student-athletes – 68 men and 120 women – are being recognized in this program, introduced in 1998 by MIAA commissioner Ralph McFillen.

To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average in two terms of attendance at the nominating institution, and earned All-MIAA honors in their sport over the past season.

In the sports of baseball, basketball, football, women's soccer, softball, tennis and volleyball, the coaches vote for All-MIAA. First-team, second-team and honorable

mentions are eligible for Academic All-MIAA recognition.

In golf, a points system based on finishes in the five conference-sanctioned events is utilized, with the top 10 in points scored earning All-MIAA.

In track and field, the top six finishers in each individual event, along with the top three relay-event finishers, are recognized as All-MIAA, while the top 10 finishers in cross country earn All-MIAA honors.

Student-athletes at MIAA schools competing in sports which the conference does not sponsor a championship and meeting the academic requirements are eligible for Academic All-MIAA honors by either earning All-District/Region honors in a team sport, or by qualifying for their national championship in an individual event.

2003-04 Academic All-MIAA Team – Men

| Name | School | Sport(s)* | Cl. | Major | Hometown |
