"Hello" my friends! It’s that time of year again where we ask our loyal fans for their support of Bulldog Baseball.

First, let me give you a brief summary of our 2009 season. Although we set a program record for most losses in a season, we played the toughest schedule in program history (29 games vs. teams at least getting votes for the top 30 rankings in the country). With 24 freshmen and sophomores on a roster of 31, the 11 wins in 2009 marked the most by a Bulldog squad since 2002. We also broke six team records (hits, doubles, total bases, putouts, assists, and strikeouts), five individual single season records (games played, at-bats, and assists), and several individual career records are on pace to be broken in 2010.

The 2010 team consists of 21 returners and 10 new recruits. We continue to strive toward our goals which include winning the MIAA conference championship and playing in the NCAA post season. We know we can’t do it without you!

Last year, 39 of you were committed to Bulldog Baseball and sent your financial support. I hope I have adequately conveyed to you that your generosity has been vital to the success of our program. In fact, it is still difficult for me to express what your help means to us.

We are once again asking for your support in joining the Bulldog Baseball Dugout Club. If you assisted us last year, we certainly hope you will consider maintaining that commitment. If you weren’t able to help us, please rest assured that we can use any help you feel comfortable in sending our way. Remember, your donations will go directly to the Bulldog Baseball program and are tax deductible minus the cost of items received.

From our administration to our coaching staff and most importantly to our student-athletes, we fully recognize that many of the things we are able to do for our program is because of your assistance. We in Bulldog Baseball understand that you have numerous choices as to where your donation dollars go. With that in mind, we hope that you will look at us as a viable option. We can use your help and we appreciate your consideration!

Thank you and GO BULLDOGS!

Sincerely,

Dan Davis
